PLEASE READ THE FOLLOWING INSTRUCTIONS CAREFULLY

1. This question paper consists of 32 pages and a Colour Addendum of 2 pages. Please check that your question paper is complete.

2. This paper consists of three sections:

   - SECTION A  Design Literacy – Language of Design  30 marks
   - SECTION B  Design in Context – Historical  30 marks
   - SECTION C  Design in Context – Contemporary  40 marks

3. Read through the paper carefully before answering any questions.

4. There are choices within some questions in this paper. Read your options carefully.

5. Ensure that you follow the instructions given in the questions.

6. Answer each question in the space provided.

7. Use the mark allocation to determine the time spent on each question. One mark is awarded for each substantiated fact.

8. Do NOT repeat the same facts and examples for different questions OR use examples presented in the question as part of your answers unless specifically asked to do so.

9. Underline the names of designers and their works in Sections B and C.

10. It is in your own interest to write legibly and to present your work neatly.
SECTION A  DESIGN LITERACY – LANGUAGE OF DESIGN

QUESTION 1  THE PROCESS OF DESIGN

1.1 Discuss your understanding of the concept “de-othering”.

QUESTION 2  DESIGN COMMUNICATION

2.1 Refer to IMAGE A on the Colour Addendum sheet and read the extract regarding Benetton’s campaign below.

Italian fashion brand Benetton is now 50 years old, and it is still campaigning for a better, more caring, more sustainable world, writes Gilly Turney. But it is no longer out to shock; but taking a gentler, more mature approach.

[Source: <http://www.italytravelandlife.com>]

2.1.1 Identify the stereotype in Image A, which the designers advocate against.

__________________________________________________________________________________________

(1)

2.1.2 Name and explain the symbolic language used to communicate the message of the campaign.

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

(2)

2.1.3 Discuss the prominent use of the colour orange and how it strengthens the concept of de-othering.

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

(2)
2.2  Refer to IMAGE B on the Colour Addendum sheet and answer the questions that follow.

2.2.1 The Lean & Caviar advertising campaign makes use of a San-serif font. Discuss why the use of San-serif fonts are the most appropriate for advertisements.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

(2)

2.2.2 By identifying visual imagery in Image B, discuss if you believe the printed advertisement promotes or advocates against othering.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

[9]
QUESTION 3   VISUAL ANALYSIS

Refer to IMAGE C on the Colour Addendum sheet and answer the questions that follow. Analyse the design, making sure you discuss the actual design and not the photograph per se.

Refer to Image C and fill in the table that follows.

3.1 Identify and analyse THREE design principles that work with each of the given design elements. (You may only use a design principle once. You may not refer to any examples given in the question paper.)

<table>
<thead>
<tr>
<th>Design Elements:</th>
<th>Identify and analyse THREE Design Principles.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Element: Line</td>
<td>3.1.1 Principle:</td>
</tr>
<tr>
<td></td>
<td>Analysis:</td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td>The zig-zag lines are densely combined in areas to create depth in the face.</td>
<td></td>

<table>
<thead>
<tr>
<th>Element: <strong>Texture</strong></th>
<th>3.1.3 Principle:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Analysis:</td>
<td>(1)</td>
</tr>
</tbody>
</table>
3.2 Identify ONE Gestalt principle in Image C (*Taking your pulse*) and explain how it communicates the message of the advertisement.
QUESTION 4  DESIGN IN A BUSINESS CONTEXT

Refer to the extract and IMAGES D and E on the Colour Addendum sheet, to answer the questions that follow.

4.1 Explain why SPRING is a leader in a sustainable market with regards to de-othering.

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

(2)

4.2 Define the term "entrepreneurship".

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

____________________________________________________________________________________

(1)
4.3 How does SPRING’s brand philosophy promote entrepreneurship?

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

(1)

4.4 Explain the concept of “extreme affordability”.

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

(1)
4.5 SPRING promotes extreme affordability through projects such as EarthEnable in Image E. Why do you believe this project is an "ethical design" approach? Clarify the definition of "ethical design" in your answer.

Theme: Designs and people: Reflecting societal values

STATEMENT

As much as we may feel being "modernised" is the best option in this age of borderless hyper-connectivity, people often want to promote traditional and cultural markers to retain their unique identity.

Discuss how designers working from 1970 onwards influenced social values to promote de-othering, while staying true to their traditions and cultural identity. In your essay discuss the work of at least THREE pertinent designers (from different movements) and TWO works by each of the chosen designers.
SECTION C   DESIGN IN CONTEXT – CONTEMPORARY

Answer TWO questions from this section.
Do not repeat the same information in different answers.
Format all answers in paragraph format.

Rubric applicable to Question 6.4, 7.4 and 8.4

_________________________________________________________________

_________________________________________________________________

_________________________________________________________________

_________________________________________________________________

(2)
6.2 How does "design for disassembly" promote D4S? In your answer, define "design for disassembly" and make reference to an appropriate designer and design that support your answer.

(3)

6.3 Explain how the concept of "equitable access" is vitally important to a de-othered society.

6.3.1 Define "equitable access".

(1)

6.3.2 Provide and discuss ONE appropriate designer and design to support your argument.

(2)
6.4 For too long, we have been at the bottom end of the food chain and many of us continue to live in survival mode. Discuss how designers employ "integrated design" to create an environment in which society can start enjoying and living in their environment instead of only trying to survive.

6.4.1 Name TWO designers (ONE local and ONE international) who employ "integrated design" to better the living environment for people.

__________________________________________________________________________

__________________________________________________________________________

(2)

6.4.2 Name AND describe ONE design by each chosen designer to support your stance.

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

(2)

6.4.3 Write a thematic analysis on ONE of your selected designs. Make clear which design you are analysing.

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

(4)
6.4.4 Briefly explain how EACH design (6.4.2) employs "integrated design" to create an environment in which society can start enjoying and living in their environment instead of only trying to survive. Clarify the definition of "integrated design" in your discussion.
QUESTION 7 DESIGN IN A SOCIAL CONTEXT

7.1 Explain how Jupiter Drawing Room's *Children of Fire* is "design activism". Clarify the definition of "design activism" in your answer.

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

(2)

7.2 Explain why the concept of "co-design" is an important aspect of zeitgeist. In your answer make reference to an appropriate designer and design that support your argument.

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

(3)
7.3 Explain how the concept of "universal design" is vitally important to a de-othered society.

7.3.1 Define "universal design".

7.3.2 Provide and discuss ONE appropriate designer and design to support your argument.

7.4 When seen through the lens of technology, few resources are truly scarce; they're mainly inaccessible. Yet the threat of scarcity still dominates our worldview.

Briefly explain how the concept of de-othering can be promoted through "inclusive design". Make clear the definition of "inclusive design" in your discussion.

7.4.1 Name TWO designers (ONE local and ONE international) who promote de-othering through "inclusive design".
7.4.2 Name AND describe ONE design by each chosen designer to support your stance.

______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
