## NATIONAL SENIOR CERTIFICATE

## GRADE 12

MARKS: 100

This memorandum consists of $\mathbf{1 4}$ pages.

## NOTE:

- If a candidate answers a question TWICE and does not delete any attempt, only mark the FIRST attempt.
- If a candidate has crossed out an attempt of a question and not redone the question, mark the crossed out version.
- Consistent Accuracy applies in ALL aspects of the marking memorandum.
- A learner cannot use what s/he must prove to prove it (i.e. the circular argument.).
